Our family has many many great memories of the cabin. It is fun to think back to all the things we were able to do there. From our honeymoon to the first time we were able to bring each of our children there, it all brings wonderful memories. The cabin or the Nielsenhaven feeling is something that we can never forget. When I think of the reunion, I think of our color groups, campfire singing, testimony meetings, church on Sunday, Grandpa playing his harmonica, skits that were so dumb you could not help but laugh, late night card games, blue shirts, and last but not least a wonderful family that comes together faithfully every year to have fun. The cabin will forever be in our hearts as a place of peace, love and beauty.

Thank you for all the good times.

**My favorite memory -
by Candie Williams**

The Williams family came for a stay in the spring. As we were leaving, the sun had softened the snow so much that everyone who attempted to get to their cars sank deep into the snow. It took about 15 minutes to get from the cabin to the cars!
