

This album is dedicated to:
Don & Lawana Nielsen,
Their children & grandchildren,
And the Memory of NielsenHaven,
Which will live in our hearts forever.

Nielsenhaven and our Cabin will always be dear to our hearts. The words “our cabin” brings a flood of feelings of love, good times, wonderful experiences and memories.

In the future, the “cabin” will not be ours to use – but Nielsenhaven will always be a symbol of oneness for our family. It isn’t the “cabin” that’s the most important. It is the people who shared experiences there that really mean the most. These memories have united us as a family, and together we’ll share them throughout eternity.

No matter where we hold future reunions it will still be our “people” that carry the Nielsenhaven tradition of fun, food, laughter and oneness.

Throughout my life the beauties of Nature has enriched my soul. I feel God's love for me, and my spirit is Filled with joy when I see and Recognize his myriad creations!

Little did Don, your Dad and Grandpa Know what happiness having a cabin Would bring to us and our descendants. It was made financially possible through His efforts in his "Ammon Archery" Business. He really loved being at Nielsenhaven with all of you!

One of the most memorable Sundays at NielsenHaven occurred during the reunion in August 1995. Don, Lawana, and the "original 8" got all dressed up in their Sunday best and went out into the trees for a photo shoot. They took pictures of "the girls," "the boys," and the family with mom and dad. They had a wonderful time – giggled and laughed and bonded. When they got back to the cabin, Deanna had everyone all ready and reverent for Sacrament Meeting. In bounced the original 8 – giggling and having a great time. What a memorable occasion!
