Dee & Hyrum

In 2001 Our reunion had a Hawaiian theme - Dee bought shirts for Chad, Emalee & Hyrum at the D.I. In 2004, Hyrum can still wear his shirt. During the reunion Hyrum had leis piled on him, and Kera helped others braid their hair too!

The Most fun for me was the building of the cabin. The weeks of putting up the logs will remain one of my the best times as each of you put in your time. Each of your special skills went into the building and decorating of the cabin.

Linda's special time was the reunions. She loved each one of you and wanted to know what you were doing and welcomed each new baby.

We spent a special time each October as we went to the cabin as a family some went hunting and then, closed up for the winter. Each of my children will have these special lifetime memories.
