I can't think  
of anywhere  
else on Earth,  
where children  
can be so  
FREE!

Free to run,  
 play, yell,  
explore, and  
discover.

Nielsenhaven  
has been a  
true haven  
from the world.  
Nielsen-heaven!

Morganne Keppner - 2000

I love visiting with all the cousins! we have so much in common & can always find something to talk about!

One of my favorite cabin memories is from 2003. It was during Saturday night's program, a thirsty Liberty happened upon a nice & full mug of bacon grease from that morning's breakfast (sourdough pancakes and bacon, of course). After one drink, she wasn't thirsty anymore, but she was ready for a bath!

## The Cousin

# Connection

(Cousins above singing "Lady of Liberty" they learned in the "Saturday's Children" singing group.)

One of the greatest things to come out of the Nielsen reunions, has been the friendships between the cousins. We are all so close! Who can forget the "Blue Bandana Gang," or the twittering teenage girls begging a ride to West Yellowstone? We are life-long buddies!
