DIARY

Monday JANUARY 1 1968

Well - today doesn't seem so different. I just goofed around - I read books. This morning we took out tree down & really cleaned the front room good. I read "Deadline at Spook Cabin" and "Follow my Leader." Oh well. Oh - I was mad. Lance & Greg called Steve about 4 & asked him to go to "The Jungle Book". He could. Then Janette called and asked me to go. I said yes - Then I said, I can't go, can't I Mom? NO. I about died. She said you have already seen it. And Mr. Summers was willing to pay for our way. Roar - I was mad. After dinner I watched T.V. & then took a bath & washed my hair - yay! But I didn't put it up. Boo

Thursday JANUARY 4 nineteen sixty-eight

Well, I just finished watching the Music Man. At least 3/4 of it. The rest is tomorrow. I took a shower and washed my hair but I didn't get it up. But I think it looks neat. Man- it looks long! Yay. We got out of school at 2:15 because of a teachers' meeting, but I didn't get home till about 3. Maryann wasn't at school today - sob sob. Boho oh well. We still didn't get our lockers. Oh well. Today was the last day Mrs. Whitney gave us to work on our projects in class. Mine is due on the 16 or 17th. Well, I'm tired. It's 15 after 10.

Friday JANUARY 5

Today was just an average day - the lunches as mean as ever. During 1st P talked Mrs. Olsen into moving me - she's next to the door. During 2nd P saw an escaped for Mrs. Whit. P corrected notebooks for Jones & Mr. Squires Self-Dance - I fly both smiled. 5th yuck was 6th. we danced & P had fun! P danced with 3 nice boys. Randy, Peter, & Roger Hampton. Vicki put some of my stuff from the kitchen in the B room. So I put her stuff in the kitchen & she slept me in the bed. Then she brought some of that stuff in and dropped it & I stood it under the chair. I slipped her in the bed - then she turned around & shaved me right in the temple with a doubled fist & all her power - oh that hurt SO bad. I cried for about 2 hours - & had a headache all day and it really hurts me about 3 inches & down. Ow! Today Vicki poked me in the shin - hard & I got a bruise from it - oh well. Roger called Sandy & they talked about 2 hours. Boy Di. Well I am tired. Its about 11

Aug. 27, 1970 [redacted]

Today I broke up with Gary. It's been almost exactly 11 months. Last Tuesday nite KRIS & DIANE broke up too - Diane just doesn't like him anymore. I hope he doesn't think that why. I told him we were too serious & he should be having fun in his senior year - (he brought me home from school) I started crying (duh) I felt so bad I had to tell him! I don't like him now like I used to - I've been thinkin' about it for quite a while actually. I want to like other boys --- but I can't get serious again -- It hurts too bad; He said "well maybe he could see me once in a while at dances, & sit by me in church" - I said "but not very often" Oh I looked at him & he looked so sad, so I kissed him and MAN did he kiss me back! I sat there and cried, He hugged me said, it's been fun, i like ya joyce, maybe about the end of the year I'll call ya again --- Goodbye Joyce. so so "Goodbye!" and I went in the house and bawled, and I don't understand why! I think I stopped liking him while ago and have

Sunday, Sept. 6

Waterworks today. I went to Church after S.S. Pox. & I walked into the foyer & walked over to see Craig. I looked over at Gary. I almost died! He got a new grey double-breasted suit - he had a gold shirt on - man & I looked at him, Ed Ed and back & him, then I ran into bathroom & almost cried. Then during Church I kept looking at him & thinking, oh Joyce, you are so dumb! It hit me that I really wanted to get my Patti Carle blessing so I walked over & told dad. He asked the bishop then walked back over & mom stopped & walked up & Gary looked at him and said -

I really like your suit, Ga
just thought I'd tell ya. And
he said thanks - Then I came
over & mom & told her I
was staying for an interview
for my pat. blessing - She
asked if I felt I really
needed it - I nodded, and
just started crying - tears
& everything for man & then
Gary walked right past
me - Went in room & calm
down, waited for bishop, went in
and he interviewed me, several
times for no apparent reason,
~~& tears~~ & everything then I'd gain
control of myself - Finally he
had it filled out - he asked
me two things well I guess
& told him I was. etc - He
said that's great - & that a lot
of people would be looking
at me, & I needed to set a good
example. Then I really
started crying, and I
told him how I felt
about Gary & why I did
it & if it was worth it
& what I had been thinking
We talked about it & dating
He said I was brave remarks
& etc. and I just sat
there a bawling & my nose
ran, & he said, "IF THE
LORD FEELS IT IS RIGHT THAT
YOU AND GARY SHOULD GET
BACK TOGETHER, THEN YOU WILL.
RIGHT NOW YOU HAVE DONE THE RIGHT
THING AND WILL BE BLESSED FOR IT.
JUST KEEP DOING RIGHT AND THINGS
WILL WORK OUT."

[redacted]

After it was over I again went to the bathroom and calmed down, blew my nose. As I walked out I looked straight at Dee. Clark and bit my lip. Walked home with Kim. I'm so glad I got to talk to him. He asked me if Gary knew how I felt. I said I don't know. Also I said I'll look at him and think - you're so dumb! He's so good, and you'll never get anyone like him!" He agreed he was a good kid and but that there were others.

I feel much better about it. I have got to get app. for Blessing. to Craig's friend in N.I.

I has- youre not too good, not too bad, not too happy, not too sad, not too silly or too darn bright. Know what, valentine? Youre just right! I love it. Gary went skiing & broke his ski. I was too poor to go- so I didn't. He came over- I gave him a tie to match my black dress - we wore them to the dance, it was fun - & a heart shaped cake - pink, white fluffy frosting, & red hearts on it. - [redacted] LIKE THAT BOY!

APRIL 1st, 1971 16

Today was my 16th birthday. I thought it never come. Mom & Dad gave me my Jr. Prom formal & shoes, Grandp. (I got the mat. & stuff 3 wpp. weeks ago) Steve gave me Carpenters CLOSE TO YOU (love it) Judy gave me a ball ring neet, Diane decorated my locker & gave me a really pretty blue diamond flower ring & earrings Loraine gave me some perfume; KENDA (Steve's girl) sent me a card. Gary came over & brought me (a long stemmed RED ROSES! Theyre beautiful! I just love 'em! I almost had a fit. Theyre so cool. Vicki gave me girlly sort o'gloss - this lip gloss that smells, tastes, looks neat! Sandy called me. Linda sent me a card. It was, all in all, a wonderful day - EXCEPT that I was a dummy &

Ap. 1st

I tried out for Cheerleader. After the cheer (in front of the whole studentbody) I did a cartwheel, lost my balance & nearly wiped out. It was awful! I didn't get in the finals. Oh well! There are good things about it. It was a good experience I guess.

Gary's so wonderful. We're going to "Love Story" tomorrow night.

Day before yesterday we got grades - straight A's - 97 av. in geometry, 1 A- in typo - O.K. well.

Ap. 2nd We went to Love Story and it was so neat. We sat through it twice. It wasn't the best show I've ever seen - but it was neat.

APRIL 10th 1971 JUNIOR PROM

[redacted]

Tonite was Junior Prom. It was so fun, and neat, and beautiful. I started getting ready at 5:30 & he came at 20 to 9. I had my hair pulled back and a ringlet. Sandy fixed it and put the leftover lace in the back. It looked so neat! I loved it I had tendrils, 2 on each side. It looked pretty. I have every single thing on my body new. Gary gave me a beautiful corsage. He looked so handsome & GREAT! He had a dark-blue double-breasted tux on & man did he look cool. The dance was pretty good, wonderful. I had lots of fun.

after the dance we went to Walkers - we doubled with John Curtis & Pam Storm. On the way I laid my head on his shoulder. He kissed me - comb & me he French kissed me and what a kisser-on! I had only eaten a bowl of cereal all day, but when we went to eat, I just couldn't! It was weird. On the way home he kissed me 20 or 3 more times. It's so fun yan! but I don't know about it.

We went over to Gary's after he picked me up - to show me off. They told me how beautiful I looked. It was a row neat & looked. It was so neat, cuz Gary kept telling me how pretty I was & how beautiful I looked & how beautiful my dress was & how pretty I was! WOW! Sunday Mr. Clark told Gary that he thought I looked so pretty & that he was glad he wasn't taking me bec cuz if he would've, he would've been so happy, he would've floated right out of sight. Gary agreed weird ham and told me that he was 6 inches off the ground. I was so.

Today (Sun) Gary & I went to Rex - to Jake Vicki & Mike up. I drove back it was weird. I LIKE GARY SO much!!

May 17 - Commencement Dance at Elks. so fun, and sad!

Sunday MAY 23, 1971

MAY 25

Well, school is almost out. We have 7 more days - Seniors got out last week. Im glad. Yet Im rather sad because Gary is graduating. I have mixed emotions. I keep saying how he's going to forget me when he's up to college. That makes him really mad -- in my yearbook he put something like "graduation is more of a beginning for us than an ending -- sure we'll be separated for the next couple of years but our friendship won't die." I like him so much! For graduation, I gave him a set of Pat cologne and after that I went out to dinner with his family last night - we ate at the Stardust after, he came over here and I gave it to him. I looked pretty great - I wore Vicki's black maxi, & the ~~white~~ lipstick Brenda bought me. His little sisters told me I was beautiful. I like him so much - could it possibly be love, or the start of it? I think so.

FLASH-BACK!! In the weeks of April 19-29th. I stayed at Lynda's house - the day she had a baby girl, Holly - she's so cute & I babied, fixed dinner, cleaned house & ate. That's why Linda bought me the cascade —

MAY 25

Tonight was commencement - I
was so sad - I cried. After it was
all over, I waited for Gary. We went
over to his house, & he changed his
clothes. Then we went out to J.B's &
had some strawberry pie. It was
so good! We drove around, and
we stopped and looked at the falls.
We just sat there - it was sorta
sad. I gave him a really nice
kiss for graduation - he kissed
me a couple of times -- took me
home 12:15 - then went over to get
Kris. They drove around & went
all over until 2:30.

MAY 27

School is out & Jim's thru - I
got straight A's again - A's all year
except B+ in Geometry 1st term,
it's sorta scarry. I was elected
class treasurer for next year long time ago.

Friday June 11 71

Tonight was Judy's recital. After,
Vicki & I decided to run around
so we went hustlin. We got
a flat tire & 4 guys finally
stopped to help us. 2, the
younger ones, left. They had
been drinking & were a
little strange. Sorta shook
me up.

Sat June 12

Gary & John went to Alpine - he
came over, & was real tired - &
he felt sick, so he went home
I'm worried

Sun June 13

That bum! Last night after he left,
John called & they went to the show
the bad thing was that last week
he said he'd take me so I'm so
jealous - I'm such a rat. He
has to do things with boys!

June 16
~~MAY 24~~

Went to Wuthering Heights with Gary it was pretty good - I was kinda embarrased tho & it was G rated after Gary seemed so distant - like he doesn't care about me. It was sorta tense. Told me to be good & S.S.U. Sandie for couple of hours - awful thought he didn't like me!

June 18-19

We had to hike w/ packs & sleeping bags construct shelters - lash tables - it was great - wish we could've stayed longer

~~MAY 27~~ Youth Seminar

Got back from Ad. hike & cleaned up-went to Pocatello for a Youth Civitan Citizen Semina I applied a while back, & they chose me. Anyhow- I'll write this later. It was great. At a dance I danced with a boy from Nampa, Monte, & Brooks Haderlie. I wanted to dance with Jeff Lords, too but I was with Brooks. Pam

Do back, mens & womens. Layna & Gary & I always went down together- the walls aren't really too thick. On the way home we stopped at Green Canyon & swam. Mom was sorta mad 'cuz those other two guys were so friendly. We had rented suits & they were so queer! It was fun tho- especially when Vicki almost tore my suit off- we were building pyramids. It was really really fun.

Mom & Dad were Great!

June 25-28

After the dance I went up to talk to this guy about them playing for us sometime. They're so good! But anyway I went outside & talked with the lead singer, Craig, for about 2 hr. about a lot of stuff. Then I had to go in & shook hands with him. His friends almost cracked up! He is sweet and funny.

Mom, Dad, Claude & I went to S.L.C for Conference. I went to Mom. It was very interesting. Went out to Stockton - Mill Creek - they got me one - George Reed red haired, all-right looking, really nice & Mom. It was very interesting. July 12
[redacted] 1971

It was postponed & I was going to go to the STK dance with him but there wasn't one - SO.
Sunday when I saw him at church I almost died! He looked so neat! Had new bell & white shirt, white tie, & new slacks. He looked so neat! Oh ya, he has a mohawk! & it is cool - Sunday after Sac. meeting he took me to his mom's & we had pie then we drove up in the hills - & was really pretty.

Steve got a motorcycle & I was driving it around the yard today. About 8:25, I got on it again & Judy got on behind me. I started going & lost control. We tipped over & dug up the grass. I killed the cycle & looked down at my leg. Just below the knee there was a gash about 3 inches deep & 5 inches long, [redacted] I told Barb to look at it & we were whipping down to the hospital - Everyone was so sure - this guy passing by stopped & offered his help - I wasn't in shock or crying or anything

July 12 - 13

Judy was almost hysterical. She got scratched up & bruised. Anyhow, we whipped in there & finally got the Doctor on call. Dr. Johnson (Mary's doctor) Our dr. was busy with 3 emergency cases at the other hospital. Anyway, he started sewing me at at 9:05 and at 10:25 he finished. He put 45-50 stitches in, maybe more. I cried a couple of times but only when I thought of money, baseball & Dad. Mom said I couldn't go to Youth Conference next weekend. I'll probly go tho. Dad was so mad at Jumsey - I feel so bad. I'm so dumb! I'm just glad I was the one hurt, & not Judy. When I got home, Thompsons & Lot & her little sisters were here - I felt like a clerk. There was blood all over everything - kinda sickening. There was a big fire across the street & Gary had stopped & Judy told him - so I called him when I got home - at 11. He was so worried & so sweet. I'm pushed. The bill was $15.00 - quite expensive. So glad we have insurance.

It's 11:00, I've been served breakfast in bed by Judy & Kalene. Tenda what

Tonite Gary & I talked. Tomorrow he leaves for school, so I probably won't see him for a few weeks. He told me he couldn't express how he felt for me - he said - "I can't explain how much I care for you. Youve been a guide to me - really tear-up!! I guess that we are both just going to go out - - Trust me, I sat there & cried. I'm so stupid - I am sorta glad that he is going because we like each other so much it gets bad. It will probably do us both a whole lot of good. A lot of things could happen, I think (hope) I can take whatever does happen. I gave him a loaf of bread & a bottle of apricot jam - I made 'em.

Aug. 18

Roxanne & Craig got me a date for 2nd Oct. with Ross, Uno Dr. at Skyline. A long time ago. Dary asked me to go to Jackson with him that day, but I bet we don't go. I hope he asks me out that night & I can tell him I have a date ☺☺ that oughta shake him up. I am kinda scared though. I'm not kiddin' tho - I'm getting sick of it!!
